

1st November 2015

Assumption close to fact: Intelligence suggested that Izzet EREN was in contact with his brother Ozcan EREN conspiring to facilitate his escape on 1st November 2015 by means of Ozcan EREN co-ordinating a team of unknown individuals to carry out this act. They had access to a stolen vehicle and weapons, including a firearm. One of that team however was not prepared to assist and the attempt was aborted until Friday 11th December 2015.

This intelligence is assumption very close to fact and is a firm foundation to build a policing response from, particularly when considered in the context of Article 2 Human Rights Act and the associated positive and negative obligations.

Fact - Following this the stolen vehicle, a black Audi A6, VRM KM13 YPT, was located and due to the proximity of the car to Wood Green Crown Court, was placed under technical control by means of audio probe.

29th/30th November 2015

Assumption close to fact - Intelligence indicated that Sinan Ozger has been engaged in the movement and safekeeping of firearms and it was OZGER who performed this same function prior to Izzet EREN's arrest in possession of a loaded Scorpion sub machine gun on 13th October 2015

3rd December 2015

Assumption Close to fact - Intelligence received indicated that Ozcan EREN was **putting** **together a** team of suitable individuals to effect the escape, the identity of the subjects to carry out the act was unknown.

10th December 2015

Assumption close to fact - Intelligence received confirmed that the springing of Izzet Eren was still planned, and that Ozcan EREN had recruited a team, which included unknown IC3 males. The intelligence suggested that the intention was to attack the van in the Bounds Green area before it arrived at Wood Green Court.
