On Friday 30th September 2016, Amy Dixon from SCO19 forwarded two statements to Detective Superintendent Gary Randall in relation to an upcoming court hearing in relation [REDACTED].

On Friday 30th September 2016, DCI Jason Tunn from SCO7 e-mailed a copy of contemporaneous notes made by [REDACTED] regarding 13th October 2015 to Liz Parsons at the IPCC.

DCI Tunn also sent Liz Parsons the following e-mail to Liz Parsons;

Liz

DC Kinch has reviewed the day books of DI Murray and those pages that relate to Op ANKAA are scanned and attached. The day books contain sensitive intelligence concerning other operations that remain ongoing and of course you are welcome to come and view those books to be satisfied that nothing has been missed.

In respect of the FA forms. An FA1 was never completed by DC Kinch as it was a spontaneous deployment from home. I understand Tac Advice was provided to [REDACTED] by PS Carl BEESLEY. DC Kinch is liaising with Ryan Golding at SO19 in relation to the whereabouts of that advice.

CAD 8876/131015/GD refers to the incident. Copy attached.

Please advise whatever else is outstanding so there is no needless delay from the MPS
