This statement relates to a Black AUDI A6 with vehicle registration previous registration of XM13YPT This vehicle was stolen from me in a burglary in August 2015, as detailed in a previous statement I have provided to Police.

I have been contacted on 23/02/2021 by DC Gary Smith and asked if the above vehicle had any tinted windows when I owned it. I can confirm that when I purchased the vehicle, from Finchley Road Audi dealership when it was approximately 1 year old, it definitely did not have any tinted windows front or rear. I can add that I didn't add any tint to the windows, I do not like tinted windows on vehicles and would not have bought this vehicle if it did have any windows tinted.

I also confirm that I never saw my vehicle again after it was stolen in the burglary, I was paid out by my insurance company and never had the vehicle returned to me.
