Firearms Command Managers - Review of Command Logs

Ref: Op Tyrion Record of Event: MASTS deployment date: 19.3.15

Command Managers Feedback: DSU TURNER demonstrates both verbally and in his logs a thorough understanding of the requirements and responsibilities of a SFC. On this operation he identified the need to prepare for TSU deployments, and ensured sufficient resources were deployed to deliver the operational plan. He utilised tactical advice appropriately particularly in the use of Basic MAST.
