We will look at this on Monday as Mr Davies really wants the teams to be briefed together. Once Mr Davies is blue and we have a review of the intel we'll liase with their teams and re-organise the tasking board accordingly.

Sorry to mess around but as a large commitment we want to make sure we get it right.

Thanks,

Ali

Hello all.....

My understanding is the whole of Team 6 (Armed) are required to attend the briefing on Thursday the 10th of December & only the TL's from T 7 and T 12 as per the emails below....

We are show 8am on Op Thetis on the Thursday now.... Are we doing Op Thetis then going to the briefing at 3pm or has there been a mix up somewhere along the line?

Regards

FE10

Hello,

I have spoken to Gary Kinch and it is confirmed that there will be a briefing on the 5th floor briefing room at NSY at 1500hrs on 10th Dec, we need one of the armed teams to go to that briefing and the TLs from the other two teams.

On the day of the deployment there will be another full tape recorded briefing for the remaining armed team and unarmed team.

T6 will go to the armed briefing on the 10th Dec this would mean a duty variation.

If there are any issues give me a buzz in the S.O.C. Personal Information

Many thanks

Afternoon,

Just to keep you all in the loop.

There is no change to the briefing at NSY on the 10th on the 5th floor at 3pm for T6 and TLs from T7 and T12. On the 11th the briefings will be at 0500am at three locations as follows.

T6 will brief at either Lincoln road or Quicksilver (TBC) and will be deploying on the layed up vehicle (armed)
T12 will be briefing at Alperon and will deploy on the prison van (armed).
T7 will brief at Holborn and will deploy on the suspect who is organising the offence (unarmed).
Di Davies will be in 3000 and will have 2 blue cadres and SC07 with intel officers cad controllers etc.

Any issues give me a buzz

Cheers

Ryan
