I am a Detective Constable FE24 attached to Serious and Organised Crime Command (SCO7) based at New Scotland Yard, London SW1.

On the 11th December 2015, at about 05:00 hours, I attended at a secure location in London for briefing of Operation ANKAA. I am a Turkish Speaking Police Officer and I was informed that, I and one another Turkish speaking officer FE25 will be listening live conversation/s which could include Turkish Language and we were told to make notes in relation to this. We were then taken into another room which was classified as Covert Monitoring Post (CMP). In this CMP room DC Paul HAWTHORN, Dave REDDY and **FE12** who also accompanied us.

During this time, between 06:35-09:02 hours, I have made notes regarding to this operation from what I heard and exhibit my notes as **FE24**/1, this was sealed with Exhibit label MPSZ08457575

DC HAWTHORN burnt the disc from the hard drive of the audio burner and produced an exhibit of today's recording and this exhibited as PJH/11/12/2015/1. He then provided me with a Disc which I then copied.

I then hand my original notes and statement to DC *[KONTOO?]* and DS HART
