I am a dedicated surveillance officer within the Specialist Crime and Operations Directorate, attached to New Scotland Yard.

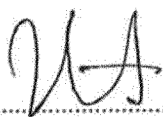

On Friday 11th December 2015 together with other officers I was engaged on a surveillance operation.

At 9.17am I saw an unconfirmed of a male I now know to be Ozcan Erren sat in the driver's seat of a black Audi A4 estate vehicle registration GM15 JHZ with a mobile phone held to his right ear. JHZ was parked in Warwick road, N11 facing towards Bounds Green Road about 30 meters from the junction of Bounds Green Road on the nearside kerb. There was also a passenger sat within this vehicle but I could not give a description of this person. Erren and his passenger would have had a clear and unobstructed view of the traffic on Bounds Green Road.

At 9.19am as the prison Van BX11 TXM travels along Bounds Green Road, N11 South-easterly and comes into sight of Erren and the passenger JHZ drives to the junction of Bounds Green Road and displays a nearside signal on JHZ indicating to also travel South- easterly behind TXM. JHZ then cancelled the nearside indicator and sat at the junction for around 20-30 seconds even though it was clear to pull out onto Bounds Green Road to travel in both directions, JHZ then turned right onto Bounds Green Road travelling North- Westerly. JHZ then turned left into Blake Road, N11 South- Easterly where there was a loss JHZ. A few minutes later Vision was then regained on JHZ Wroxham Gardens junction with Durnsford Road, N11.

At 9.25am loss On JHZ Albert road junction with Alexandra Park road, N22.
