Morning FE16

Thanks for putting this together. I spoke with Mr Ball again last night, he will sign this when he gets in this morning. As he can't make the proposed meeting with Mr Sweeney he's asking if they would agree to Tom M attending as his rep?

Good Evening Sir

Please find template which Mr Justice Sweeney has asked to be completed and returned by e mail to Joanne Clow by 10.30am tomorrow morning.

Should he require a subsequent presentation at the Royal Courts Of Justice at 2pm I am available to accompany whoever attends.

Dear Rob,

Please can you use the attached template to set out the Met's position.

I have spoken again with Mr Justice Sweeney who said in light of potential operational needs the Judge will also consider whether Wood Green could be authorised just for this operation. I would be grateful if the attached form could be completed by an Officer at ACPO level and returned to me by 10:30am tomorrow the latest.
