

**IN THE MATTER OF THE PUBLIC INQUIRY INTO THE DEATH OF JERMAINE BAKER
HHJ CLEMENT GOLDSTONE QC**

**MS TIA DEMETRIO
WITNESS STATEMENT**

- 1 The purpose of this statement is to assist the Inquiry with identifying Jermaine's voice on the audio produced by the probes within KM13 YPT. I have exhibited as TD/1 my annotated copy of the transcript made of the pre-incident audio.

- 2 In order to produce this document, I have listened to the audio referred to as MPS0003847 and marked on the transcript where I disagree with either the original MPS attribution of speakers or the attribution suggested by Nathan Mason. I have done this using the copy exhibited by Mr Mason (NM/1, INQ000040) and highlighted my amendments for ease of reference.

Statement of truth

I believe that the facts stated in this witness statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.
